

National Chemistry Week

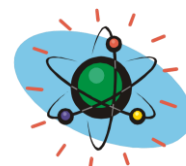

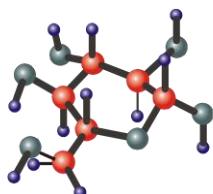

Theme: "Nanotechnology – The Smallest BIG Idea in Science"

Super Science Saturday

Saturday, October 27, 2012

10 AM – 2:30 PM

Location:

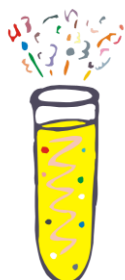

LSU Pete Maravich Assembly Center

(map on back)

Hands-on chemistry and science demonstrations!

All students & families are welcome!

Fun & educational for all ages!

Sponsored by:

American Chemical Society
LSU Department of Chemistry
LSU Athletic Department

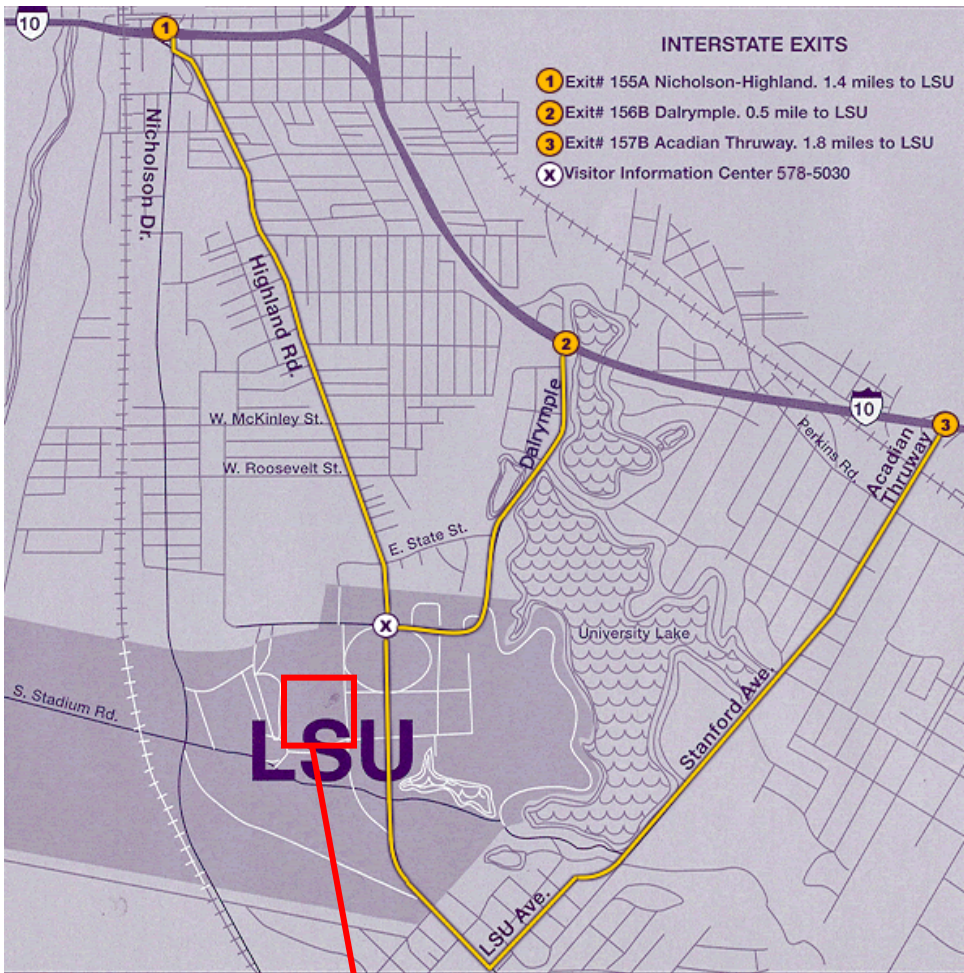

Free admission!

***Please bring donation or non-perishable food item for
Baton Rouge Food Bank.***

For more information contact:

Dr. Anne Taylor
akt1208@bellsouth.net 225-767-3565

Dr. George Stanley (LSU Chem)
gstanley@lsu.edu 225-578-3471

Directions to the LSU Maravich Assembly Center (PMAC)

The PMAC is located immediately north of Tiger Stadium on North Stadium Dr.

Please enter the PMAC through the upper main entrance that faces Tiger Stadium. That is where the check-in and check-out area will be located.

Parking is located just west of Tiger Stadium behind the Athletic Administration building and just east of the PMAC.
